DAN & PHIL SUPERB

There was a big turn-out for the South-East Grand Prix at Gt.Blakenham and Hawks featured prominently. Phil Adams was on fire winning all his qualifiers against seniors and romped to a win in the U19s final. Dan Chambers scored 15 points in the same qualifiers, losing only to Gary Brown, and sped away to victory in the U16s Final. Carly Grimes took third place in the B Final. Dave Chambers looked in good form and took second place in the Vets Final to go clear at the top with myself getting a third place to keep hopes of a podium place alive.

OLI RETAINS TITLE

The Norfolk U10s Championship was held at Hethersett and we had four riders present, including William Forder-Wilcox for his first action. The four seemed to enjoy the occasion despite the predictability of the result with Oliver Forder-Wilcox speeding to a maximum to retain his title. Evan Syer is bursting with enthusiasm and energy and he took four second places to secure runners-up spot – a first trophy of many in the future I think. Norton Hamill put in 100% to get third place overall while William raced with a smile and got a Mars bar and a place in the East Anglian Final for his efforts.
**O.Forder-Wilcox 16 E.Syer 12
N.Hamill 8 W.Forder-Wilcox 4.**

HARD GOING TUESDAY

Eleven riders attended Club Night and they found the going tough on a wet track, so much so that two did not manage all five rides and there was a very feeble attempt at fitness training afterwards! Good to see former captain Dave Perkins in fine shape on his holiday visit although I pushed hi all the way!!!

CONTAINER HERE

The new container arrived early on Wednesday, just hours before the controversial new playing file path was put down around the site! It is excellent and a big thanks to Simon Wilcox for his work in arranging it. We will do a lot of work on the insides in the next few months before moving stuff in from the other shed. .

SANDWELL SATURDAY

Eight Hawks have the opportunity to race at Sandwell on Saturday at the Woskow Brown British Youth & Junior League Grand Prix. You will need to sort your own transport arrangements out – I will let you know the suggested cost to driver later in the week if you are getting a lift.
